Applicants have amended the Specification to correct a typo, replacing a reference to Figure 22 that had been incorrectly written as "Figure 20." No new matter has been added.

### **Drawing Objection**

The Examiner has objected to a drawing not showing a clip and a cam follower as recited in claim 84. Applicants have cancelled claim 84, without any admission concerning the patentability or non-patentability of cancelled claim 84.

## Claim Objection

The Examiner has objected to an informality in claim 68, and requested appropriate correction. Applicants have corrected a typo by replacing the word "a" with the word --the-- as requested by the Examiner. No new matter has been added.

# Claim Rejections - 35 U.S.C. §112

The Examiner has rejected claims 68 and 69 under 35 U.S.C. §112, second paragraph, as being indefinite and being incomplete for omitting essential
